PROJECTS

Summize | [sumz.ai](#)

(Tech Stack - Html, Tailwind CSS, Reactjs, Redux, OpenAI GPT-4 API)

- Implemented **OpenAI's GPT-4 API** to automate article summarization, enhancing the application's efficiency and user experience.
- Developed a fully responsive interface using **Tailwind CSS** and utilized **Redux** for scalable state management of article summaries.

Coursify | [github](#)

(Tech Stack - Html, Tailwind CSS, Reactjs, Express js, Mongodb, Nodejs)

- Developed a system for admins to manage lectures, while users can seamlessly watch them through an intuitive and **responsive front-end** interface.
- Successfully integrated secure payment functionality using **Razorpay**, enhancing the system's capabilities for seamless transactions.
- Ensured project excellence through robust user authentication using **JWT**.
- Utilized **Cloudinary** for file storage, enhancing media management and accessibility in the project.

EDUCATION

K V Pendharkar College, 2023

B.Sc in Information Technology, **7.5/10**

Saraswati Jr College, 2020

Higher Secondary School in PCMB, **73.54%**

SKILLS

- Html
- CSS(Tailwind CSS)
- JavaScript
- ReactJS
- NodeJS
- ExpressJS
- DBMS(Mongodb)
- Git
- Algorithms
- RESTFul APIs
- Core Java
- SDLC methodologies

COURSES

- Full Stack Developer | [PW Skills](#)
- Java Full Stack Development | [Mettl](#)

SOFT SKILLS

- Collaboration and Teamwork
- Communication
- Adaptability and Problem-Solving
- Time Management

HOBBIES

- Listening to Music, Reading
- Swimming, Running
